Members Present: Beth Hoff, Michelle Steger, Steve Weiss, Dan O'Malley, Sandra Krein
Members Absent: Craig Carr

The committee met at the Department of Public Works Building at 31 Pondsides Drive at 4:00 PM on March 28, 2018 to determine whether or not there was a need for a feasibility study of the portion of the building that was formerly the Longmeadow train station. We toured the interior and exterior portions of the building. The committee unanimously voted that there was enough of the original structure remaining to warrant an architectural study of the former train station.

Meeting adjourned at 4:45 PM.
