ANR Review – Land Transfer to Town of Longmeadow – Case #20190626-1:

The application consists of a land transfer from Longmeadow Medical Arts Center LLC (also known as Meadows Crossing at 21 Dwight) to Town of Longmeadow; the land is identified as Parcel 1-C and is located on the corner of Maple Street and Dwight Road. The application fee was waived by the Town Manager as this is a transfer to Town of Longmeadow.

The application, case #20190626-1 was endorsed by the signature of all five members on the drawing to be submitted at the Hampden Registry of Deeds.

Documents presented:

- 1. Easement and Conveyance Plan for Dwight Rd./Maple St./Benton Dr./Williams St. intersection.*

Town Manager Search Committee Appointment:

The Select Board strongly encourages a Planning Board member to join the Town Manager Search Committee. The current government structure has the Town Manager as being the Department of Building, Planning & Community Development’s Acting Director, therefore there is frequent interaction between the TM position and the Board. Bruce Colton volunteered to be part of the committee and the rest of the members endorsed him.

Bruce Colton made a motion to adjourn the meeting and Heather Laporte seconded the motion, all in favor 5-0 with none opposed, meeting adjourned at 8:41 am.

Respectfully submitted,

Bianca Damiano
