The 2018 annual street listing (census) has been mailed out. There is an error on the census under the voter field. The printer put an A (Active voter) in the voter field rather than the asterisk that the directions indicate should be there. The A does indicate that voters ARE registered to vote. Anyone with questions/concerns can contact the Clerk's office at [413-565-4103](tel:413-565-4103). Thank you.

Registered voters can also check the Secretary of State website to verify voter registration here:
