Question #1

Shall the Town of Longmeadow be allowed to exempt from the provisions of proposition two and one-half so-called, the amounts required to pay for the bond issue in order to make improvement to the Wolf Swamp fields and parking area?

YES

NO

Question # 2 non-binding

Shall the Town of Longmeadow consider exercising its rights under Massachusetts General Law Chapter 61B for first right of refusal relative to Tennessee Gas Pipeline's agreement to purchase an easement over four parcels of land currently zoned for recreational use. This pursuit of 61B rights will not guarantee the use of the land for open space.

The Select Board is asking for your opinion on this non-binding question related to Tennessee Gas Pipeline's plan to procure an easement on four parcels of land from Longmeadow Country Club. These land parcels on Hazardville Road between Shaker Rd. and Fairway Dr. total approximately 2.4 acres in area and would be used as the site of a pressure step-down and gas transfer facility by Tennessee Gas Pipeline and Columbia Gas of Massachusetts. The cost for the town to exercise 61B rights over these parcels has not been precisely determined but may be as much as \$2,700,000.
