North Longmeadow Street Intersection Improvements – after reviewing the virtual hearing of the project, Dave and Tim made suggestions to the project manager regarding the trees (Dave) and ADA concerns (Tim). According to Dave, the DPW did have the new tree warden do a quick look at the trees which may be impacted by the project. All comments collected so far will be addressed in the next iteration of the project document. We confirmed with each other that we need to stay on top of this project.

Massachusetts Historical Commission, Survey of Pre-1901 Structures – per Maggy, still no response from Heritage regarding the survey reports. She will call them once more and then appeal to MHC for assistance.

The Old Town Hall on Longmeadow Street – per an email exchange with Marybeth we will reschedule the tour for some time in March.

260-280 Longmeadow Street – no news

The Historical Society – Dennis Picard will be doing a program on the Irish and the Boston Railroad on March 10, at 6:30 pm. Note: the program will be on ZOOM but will not be recorded.
