Discussion and Action: Planning Board Letter To MEPA, Bruce Colton:

Member Bruce Colton has proposed a letter to MEPA and circulated a draft of such document detailing the concerns the board has with the pipeline project and the board’s lack of communications with Tennessee Gas Pipeline on the matter. Assist. TM Meise-Munns has indicated that the Select Board is in the midst of drafting a similar document with their comments and concerns, with both boards seemingly on the same terms. The board expressed concern over Eversource’s recent filing of a petition for relief of the town’s zoning bylaw requirements.

Walter Gunn made a motion, and was seconded by Cheryl Thibodeau, to endorse the letter addressed to MEPA as prepared and presented by Bruce Colton. All in favor, 5-0.

Planning Board Comments:

Additionally, Don Holland made a motion, and was seconded by Chris Legiadre, to nominate Walter Gunn as Clerk for the upcoming fiscal year. All in favor 4-0 with one abstention (Walter Gunn).

Visitor Comments:

Dr. Marinelli praised the boards and town staff have been involved in the arduous task of reformatting the bylaws into the eCode format. He also added that there appears to be disagreement on whether Eversource has made a successful civil case that justifies the project and its route. Many town residents do wish to find energy alternatives away from fossil fuels but acknowledge that new technologies for environmentally-conscious heating during the winter months has not been successfully developed.

Walter Gunn made a motion, and was seconded by Cheryl Thibodeau, to adjourn the meeting. All in favor 5-0, motion passed and meeting was adjourned at 7:47pm.

Respectfully submitted,

Bianca Damiano
