

SO THIS IS WHAT **EMPOWERMENT FEELS LIKE**

Would you like to know what your doctor's visit may cost **BEFORE** your visit?

At Tufts Health Plan, we think you should know what to expect. Our health care search tool on **mytuftshealthplan.com** can help you plan ahead.

Simply log on to mytuftshealthplan.com to:

- + Find doctors and hospitals who are in your network and nearby
- + Get estimated costs for your procedures and services
- + Check your out-of-pocket cost estimates for procedures - based on your health benefits
- + Determine the services, timelines, and costs to expect during a treatment of care, from diagnoses through follow-up

Whether you're looking for a new primary doctor, a specialist, the cost of a procedure, or the big picture of a procedure—such as repairing a torn ACL, treating kidney stones or having a baby—go to mytuftshealthplan.com and Search for a Provider to plan ahead and find affordable and quality care.
